We are the undersellers. There's not a liquor store in Washington that can compete with us in price. Select the liquor you need, then come here and buy it. You'll save money by doing so. We've another great value to offer for the coming week. You can't afford to miss it. Bottle of Wedderburn Rye, Bottle of Apricot Brandy, Bottle of Cocktails, Bottle of Imported Port, Bottle of Imported Sherry, Bottle of Imported Claret. Each bottle is the regular size, and will cost you the exact price at which we've listed it. Naturally, the offering of such a proposition entails considerable financial loss. We'll gladly sustain this loss to accomplish two things: First, to get you acquainted with this house, to have you learn its "Square Deal" policy, and to show you the saving that can be effected by buying the Liquors here. Secondly, we want to place a bottle of Wedderburn Rye in every home in Washington—to have it used with other whiskies—that a critical comparison might be made. WEDDERBURN RYE will stand the "Quality Test" and will win your commendation. It is an absolutely pure whisky, smooth and mellow with age—such a whisky as there is need of in every home—as tonic—as a social beverage.

Bear in mind that this special offer holds good for one week only. If you'd share in it, don't delay, but send in your order at once.
